

What is Hinge Health?

How does the program work?

Hinge Health is an exercise therapy program designed to address chronic **back, knee, hip, neck, or shoulder pain**. It's convenient and fits your schedule — it can be done anywhere, at any time.

What does the program include?

1. **Personalized exercise therapy** to improve strength and mobility in short, 15-minute sessions
2. **1-on-1 health coaching** to provide motivation and support via text, email, or call
3. **Interactive education** to teach you how to manage your specific condition, treatment options, and more

What is a health coach?

A health coach is an accountability partner. They will work with you throughout the program to help you create and stick with your goals.

How much does the program cost?

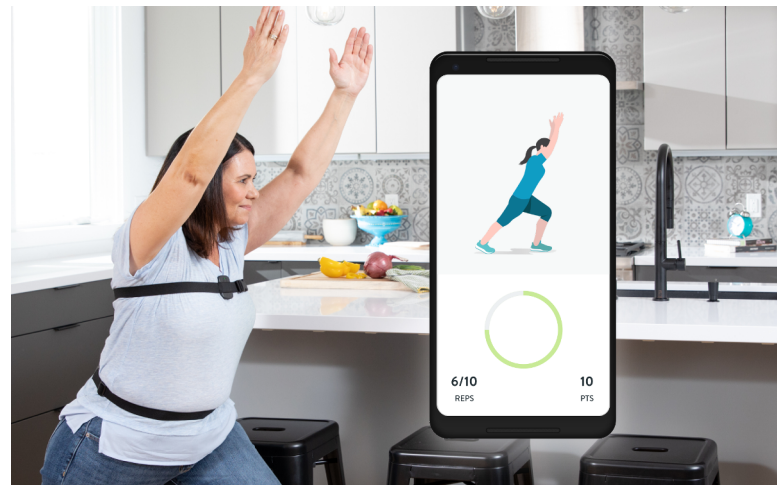

It's **free** for eligible participants. This includes the Hinge Health kit, which you can keep forever.

Who is eligible?

Employees and dependents 18+ enrolled in an Blue Cross of Idaho medical plan through Idaho School Benefit Trust (ISBT) are eligible.

How do I apply?

Take a short online questionnaire following the link below, telling us about your pain. No referral or diagnosis needed from a doctor.

What results do participants see?

- 60% average pain reduction
- 2 out of 3 surgeries avoided

What's inside the Hinge Health kit?

You'll receive wearable motion sensors that give you live feedback during exercises.
